

CORPORATE SOCIAL RESPONSIBILITY

At Azure Power, Social Responsibility is one of our four core values. Through its CSR initiatives, Azure power is committed to improving quality of life by making a positive economic, social, and environmental contribution to the communities it operates in and contribute to meeting the objectives of Sustainable Development Goals (SDG). Azure CSR activities are identified keeping in mind the needs of the local community under the following broad areas.

RURAL DEVELOPMENT

POVERTY ALLEVIATION

EDUCATION

Apart from the above thematic areas, Azure Power may shortlist any other areas of intervention. Our CSR activities are governed by below mentioned principles:

- Consult pro-actively with communities for need assessment and implementation of CSR initiatives accordingly.
- Review impact of our CSR initiatives periodically.
- Promote self-sustainable CSR projects
- Encourage employee volunteering.
- Compliance to Section 135, Schedule VII of The Companies Act, 2013

This policy is applicable to all subsidiaries and group companies of Azure power. Management commits availability of adequate time and resource to fully implement this policy.
